**Chris G, Summerland Point, NSW** – Crocheted sideways socks from Boho Sock yarn and the book *New Methods to Crochet Socks* 871510. She has worn these inside boots during the cold, wet weather and had lovely warm feet, finding them very comfortable. She adapted the same pattern to make Yoga Socks.

**Diane T, Yandina, QLD** – Made this beanie from Amuri 8 ply possum yarn. Pattern from *Happy Hats* 871527. She found it lovely to work with, soft and warm to wear.

**Janet B, Landsborough, QLD** - Finished her log cabin blanket from 8 ply dazzle which was donated to the cancer foundation for a raffle. This was a CAL on Ravelry (Janet is in the midst of making a second one).

**Gwendoline M, Tingalpa, QLD**

I would just like to thank you for posting my order when I phoned on Monday morning of this week. Today, Wednesday, I was surprised to receive my order of crochet hooks in my letterbox. What great service from you and even a bigger surprise for the service of Australia Post. Many thanks, much appreciated.

At our workshop for June we all crocheted the basic sock from the book – *New Methods to Crochet Socks*. Most of the ladies used Boho Sock Yarn, while others used up sock yarn in their stash. The below pictures also shows the self-stripping nature of the Boho Sock Yarn when crocheted. From **Trish E**—Thankyou for helping me with this project. It was great as it made me think out of the square.

**Jan G, Kialla, VIC** This is a hardanger patchwork quilt being raffled for by the McGrath foundation. The quilt was done by the members of the Granelen Hardanger Group using DMC Perle cotton and on Lugana fabric. It was completed over a 10 month period. There were 20 ladies involved in the project.

**Cathy B, Gold Coast, QLD** - Foot snugglers made with beautiful loyal baby print wool. Such beautiful colours and they come up with interesting patterns.

**Lynda T, Yandina** – Using up scraps of Dazzle, other acrylic from her stash, DMC Perle cotton and DMC Natura Cotton crocheted this tea cosy, winning second prize in the Sunshine Coast Show—Creative Crochet category.

Lynda also crocheted this trellis vest for her father using Loyal Tweed wool—great for the NSW winter. It was hard work doing this during the summer months. The pattern called for two pieces with a seam, but was adapted to do it in the round and avoid seams, which created a challenge with the trellis pattern.

**Carolyn J, Noosa, QLD**—using 8 ply Heirloom cotton crochets colourful knee rugs. Each colour group being a different stitch.

**Elaine M, Narangba, QLD** - Using Rayon crocheted this pineapple pattern around a soft pillow for a baby.

**Vanessa G, Bracken Ridge, QLD**

Thank you so very much for my order it is exactly what I was looking for. The order came so quickly, again thank you so much. Look forward to using your online services again.

**Colleen S, Nambour, QLD** – using DMC Perle 8 weaved squares and then crocheted them together adding some crochet flowers and lace panels to embellish the top.

Colleen also used DMC Perle cotton, with beads, to crochet this ballerina pendant and necklace

Tunisian crochet beret using 8 ply Dazzle from the new book *Short Row Tunisian Fashion* LA5729. The most time consuming piece was adding the band as it was all slip stitch to give a snug fit. The pattern called for a thicker yarn, so I added extra stitches and extra wedges to get the size I needed.

I was asked for some help with the split front post treble stitch - I had to work a pattern in it in order to see how to best describe the stitch – I then completed the lovely star pattern and made it into a pot pourie holder. This pattern was from the book *A Year of Doilies Book 5*, LA3706. Different books can describe the same stitch very differently – some are easy to follow, some are not. If you are having difficulty following the directions for a specific stitch, try looking it up in other books that use the same stitch to see if they describe it better.

**Valerie C, Scone, NSW**

**Leigh W, Yandina, QLD.**
