Hello to all at Crochet Australia.

I only ordered yesterday and it is here today. Thank you for the prompt service, I received your package an hour ago.

I am very pleased with the crochet cotton selection you sent to me – the 12 pack pre-mixed are perfect and the 385 blue (4 balls) I ordered will go well with the baby shawl I have started with the variegated blue (clever country 380) I had here at home.

I look forward to completing my projects now. Once more, Thank you!
