

Crochet Extra

14th EDITION - AUGUST 2006

Welcome to the August 2006 Edition of Crochet Extra.

This month we are pleased to announce that the 2006/2007 catalogue is here, we know it has been a long time coming, but we hope that it's been worth the wait and that you are as excited about it as we are! So keep watching your letter box, Here is a sneak peek of what you're looking for!

**EXTRA, EXTRA,
READ ALL ABOUT IT!!**

The catalogue has become so big that we have had to produce it in two parts. Part one is our Crochet Catalogue and Part two is the Knitting and Needlework Catalogue.

Our aim is to provide every crocheter with the opportunity to purchase from a wide range of quality supplies at an affordable price, so to keep our prices to a minimum this will probably be the last printed catalogue.

Owing to the ever changing availability of stock and fluctuations in currency exchange rates, we are unable to guarantee all stock is available or prices will not change, so to avoid disappointment we recommend you check with us before ordering.

As many of you are well aware we have a secure on line shopping basket facility available on our website

www.crochetaustralia.com.au

Our web site is updated daily so is your best source of information for current prices and availability. Email updates are regularly sent to those who subscribe to our "online customer email", to subscribe simply visit our web site and follow the links.

We will also endeavour to keep everyone updated through our monthly newsletter "Crochet Extra" that will continue to be sent out with your orders. We will include with your order as many previous editions as we can without any additional postage costs. However should you wish to have the "Crochet Extra" mailed to you on a monthly basis you may subscribe to this service for an annual fee of \$5.00

Once again a big shout out to everyone who took time to visit us this month, from places like Sydney, Brisbane, Nambour, Gympie and Peshurst just to name a few.

It's also good to know that we sent a little bit of Crochet Australia overseas this month to places such as USA, France, South Africa, Mauritius, Germany and New Zealand.

So until next month.....happy crocheting!!

This stylish doily was crocheted by **JUDY Mc - MORAYFIELD, QLD** using #10 maxi and a DMC doily pattern.

SHAUNA W - WEMBLEY, WA sent us these pics of her Irish Crochet Baby Bonnet.

She used our 0.4mm gold tipped crochet hooks and size 80 DMC tatting thread, with #5 perle for the padding cord.

RHONDA S - KINGAROY, QLD visited recently and brought along her prize winning bead crochet necklace!

Rhonda used a pattern from **KP12303 Crochet with Beads II**, a 4.50mm crochet hook, pearls, and 28 gauge wire.

Here is another pretty bonnet Shauna has made in **DMC #40** crochet cotton

I always wondered what people were doing with all the #10 Maxi that was going out the door - and so I asked a customer one day and she sent me this! - So now I know!! - Kim

Round tablecloth from **870913 Tablecloth Elegance**

This one Pauline crocheted for a friends 60th Birthday

from a book called "Crochet Cherished Lace Tablecloths" by Josie Rabier (this book is no longer available)

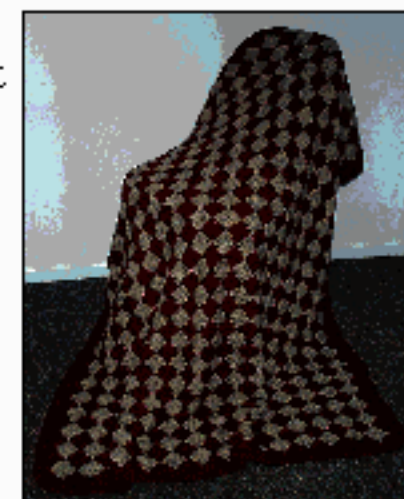

Thanks to **PAULINE L - CHATSWOOD, NSW** for sharing her creations.

EDNA M - KALLANGUR, QLD has been up to something a little bit different recently. - **Tunisian Entrelac!**

Edna created this fantastic afghan using **8ply Dazzle** and **CB14100 Easy Tunisian Crochet Entrelac**.
