

Crochet Extra

83rd Edition - November 2012

November has arrived as the year draws closer to the festive season. At Maleny we are greeted with Jacarandas and Agapanthus in bloom along with baby birds - butcher birds, noisy miners and plovers. It is like a regular little nursery at the moment so I am glad not to be a bug or moth on the move.

As the warmer weather approaches more of our crocheters are turning to thread and if you are internet savy perhaps check our warehouse reductions on packet sales of Daphne #20, Klasik #30 and Cebelia #30. These are coloured threads by the packet only but the price is good. You will find them in the Warehouse Reduction section so jump on board to be a winner and help us to reduce some of our stock.

Australia Post has once again increased parcel postage prices but we are endeavouring to keep ours the same until after Christmas. We have stocked up on the prepaid bags and hope to pass this saving onto our customers. Every

little bit helps these days. On a brighter note, the glitter yarn Excel (4ply) is all back in stock in all colours and hopefully we have enough to see us through until Christmas. Colour charts are available.

With Christmas just around the corner, this month we are featuring toys and dolls. Hopefully this will give you time to make those precious little stocking fillers that we all love to make and bring smiles all round.

Happy crocheting,

Vicki

THEME OF THE MONTH

Toys and Dolls

Everyones favourite would have to be a teddy bear or a doll or perhaps for the little boys a dinosaur and the little girls a mermaid. Whatever you choose we have books to suit the occasion. Some are knitted and others crocheted.

If knitting toys is the choice then you cannot go past the Jean Greenhowe books. They are well priced, great coloured pictures and there are 24 titles to choose from.

There are tiny Amigurumi toys that you can hide in your pocket, larger toys you can cuddle up to and of course the beautiful Springfield dolls for the grown up little miss. Need the complete wardrobe for these? Then there are knitting, crochet and sewing books available. The dolls that are all the rage would have to be the Itty Bitty dolls that come in 5", 8" and 10" and of course there is a selection of books to choose from to dress up these cuties.

If your fancy is a bed doll then we have half dolls, or maybe you would like a pretty doll to dress, then the 13" angel doll with either dark or fair skin or the 14" fashion dolls will be the answer.

For your convenience this month we have put together a selection of great toy books that we have available and of course we have threads and yarns to suit. With so much available, now would be a great time to feel the joy of a smile on someone elses face.

CROCHETER'S CORNER and Masterpieces of the Month

Send us a photo of your masterpiece and tell us what book it came from and your masterpiece could feature in the next edition of "Crochet Extra"

Here are some customer comments and masterpieces for this month!

Just a note to let you know that I received my order today and was surprised as I didn't know that you included a Fredo Frog in the orders. I thought it was a nice touch, all the order arrived in excellent condition thank you.
Sue G, Tuan QLD. *Sue is a new customers and hopefully will enjoy more Freddos from us.*

Thanks for the order. Was at the PO yesterday and I picked it up today on my way home from town. Australia Post seems to work fast up your way! Alan got the frog again and says 'thank you'.
Marg D, Yangan QLD.

June P, Landsborough QLD came for a visit and a cuppa and showed us her exquisite doily worked in Cebelia #40. Pattern is from the Spanish book Selec7 which is no longer available but we do have a large range of similar patterns in symbol books.

Del H from Mooloolah QLD and her friend **Margaret** came to visit and spent some time browsing and say - thank you for a lovely time spent in your shop.

Many Thanks for sending the Singer knitting machine and also your prompt service. I ordered my machine on the Thursday and it arrived early Friday morning.
Eileen S, North Aramara QLD.

I have to say thank you for the quick processing of my order, it was delivered this morning. I have had a quick look at the Interlocking Crochet Book, and will definitely be starting something this week. I will send you a photo when I finish. The yarn sleeves will certainly be useful, as I am currently working on something and the ball of yarn has been running away from me and my cat thinks it is a wonderful game.
Paula W, Werrington Downs NSW.

I would like to say Thank You for the service I just received from you. I faxed my order yesterday afternoon and it arrived this morning. Keep up the good work, it really is appreciated.
Carol H, Eagleby QLD.

I just want to thank you for your very special service that you give. Your thoughtfulness and help is overwhelming.

Kathy C, Home Hill QLD.

Many thanks for my latest order, it is a pleasure to ring you. The help you offer is appreciated. Your service is first class and the promptness that orders are processed are the best. A very satisfied customer.
Enid S, Redcliffe QLD.

Happy Hookers Competition

The Crochet Australia Team is proud to announce the winner of our "Happy Hookers Competition" who will receive a \$20 gift voucher. This is the winner from the September 2012 period.

**Congratulations
Elaine M
Narangba QLD**

Entering the competition couldn't be easier. All you have to do is place an order. All orders will enter the random draw which takes place on the last day of every month. Good Luck!!

Thank you for my order last Monday, it arrived on Tuesday. Also have a question - is sizing a form of starch as I have this doily with blue bells on it and it says to apply this sizing to make the blue bells preserve their shape. Thank you for your prompt service I appreciate it very much.
Yvonne A, Woodridge QLD.

Yvonne has since purchased fabric stiffener for her doily.

I have just finished the rug from BK18 Crocheted Rugs and Shawls and enjoyed doing it in the delicate pastel colours of the 4ply Wendy Peterpan. **Carmen P, Springwood QLD.**

Thank you for my order it arrived today and thanks for the choccy frog. I have lots of your knitting and crocheting for dolls books and find them easy to follow. Just love the baby rugs & shawls I received today so looking forward to making a shawl for my great-grand daughter who arrives in February. **Laila G, Nannup WA.**

I just wanted to let you know that the order for my mother arrived this afternoon and she's thrilled. Having only ordered it on Friday afternoon we weren't expecting it so soon and can't express how wonderful the service is you offer. Mum loved the dolls saying how pretty they are and has asked if possible could you let me know when you have the fair skin dolls back in stock as she'd like to order a couple of those. Thanks again for the great service. **Michelle B, Nudgee QLD.**
