JUNE SOCK WORKSHOP - ONLINE

I would just like to thank Crochet Australia for the great service I have received in the past few months. I began a project that was a "little" above my average, choosing yarn without a known quantity. (will try not to do that again) I believe it was Kathy who phoned when one colour was unavailable and I asked her to choose the best match available, which she did. I can't even pick the variation.

In the course of the conversation Kathy asked if I had used Raspberry before and I confirmed that it was one of my projects colours. I was doubtful when I actually open the first delivery, Peach & Raspberry were not exactly what I imagined, but I am now please with the look I have.

Thank you once again for your great service.
Regards

Just like to let you know that my order arrived today. It was all there and beautifully packed. I really appreciate the trouble you have gone to over this. Now I can get to work again (We ordered in a cone of royal rayon in red for Wendy - we don't stock all colours, but can order in additional colours as requested)

WENDY R

Thanks so much for the fast dispatch and delivery of my yarn. I only ordered it on the weekend and it arrived this morning. I am keen to get on to a quick project while waiting for last Heat of the Crochet Tournament 2020.

Cheers
