

World Poetry Day

21st March 2022

World Poetry Day has been celebrated worldwide since 1999. It's purpose is to promote the reading, writing, publishing and teaching of poetry throughout the world.

At Crochet Australia we've come up with a little competition to get your creative language juices flowing and encourage some poetry writing in honour of this day.

This is how it will work-

Write an original poetry piece about Crochet!... of course. It can be any type of poem, as long as it flows and rhymes.

Your writing should be at least 3 verses or 6 lines long.

Post your finished work as a comment under our facebook post (or email your poem to us and we can post it)

Our facebook page is facebook.com/crochetaustralia

The poem with the most likes by 21st March wins!!

The winning poem will be printed in our newsletter, so when submitting your poem you are also agreeing to this.
