JUNE P

Completed bags using Finch 10 ply cotton with leather base
BAY OF SHELLS CLASS JUNE

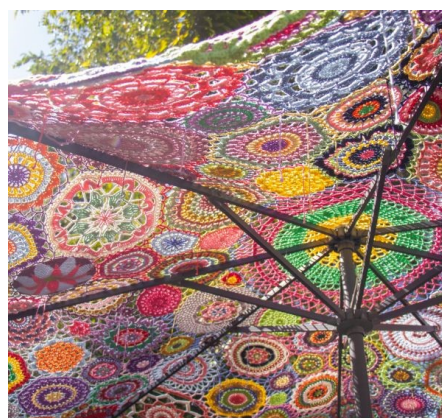

On World Wide Knit (& Crochet) In Public Day, we had a marvellous day here at Crochet Australia with many coming along to enjoy the beautiful weather we had, have a crochet or knit and natter while sampling the marvellous goodies made by the Yandina QCWA ladies. Another honour for me as we unveiled our crochet umbrella canopy. It was 18 months in the making with over 30 people contributing crocheted mandalas - we used only Wren 8 ply cotton and have used every colour currently in the range. Thank you to everyone for your contributions and coming along for the day!
